If your **TYLENOL®** product LOT # is recalled, you will be taken to the product details on this page.

If the **TYLENOL®** product LOT # you enter is not recalled, you will get a message letting you know.

NOTE: Please be sure to enter both numeric and alphabetic characters correctly to find the exact LOT #. If you are unsure of whether a character is numeric (ex. the number 0) or alphabetic (ex. the letter O), please call our Consumer Care Center at 1-888-222-6036 and someone will help you verify.

Below you will find more details on specific products that are recalled. To find out if you have a product that is affected, please locate the NDC number and the lot number of the product you have. This information can be found on the box that the product was sold in and on the actual bottle itself. If you need help with finding this information, please call our Consumer Care Center at 1-888-222-6036.
